ACM General Meeting
October 24th, 2012
ITE 301

1. Congratulations to our programming competition team for coming in first place for the New England regional competition! Good luck to you in the upcoming round on Saturday, 10/27/12.
2. Upcoming Engineering Career Fair
   a. Date: October 30, 2012
   b. Location: South Rome Ballroom
   c. Time: 10:00 AM to 3:00 PM
3. There will be another Boston Code Camp this coming Spring 2013. We will provide more details as the date approaches.
4. We had an interactive discussion regarding courses. Topics discussed included required courses (one versus three credit ethics class), courses for a math minor (probability versus statistics), and professional requirements we can choose among for graduation (i.e. Computer Graphics, Databases, Artificial Intelligence, Numerical Methods).
